Dear Parents / Carers,

As you know the week before the Easter holiday Ofsted came to visit Husthwaite and attached is the letter which will be published on 1st May 2018.

Many strengths were found and I want to reassure you that all points for development, many already being addressed as part of our revised school improvement plan (January 2018), had already been recognised. Our current school self-evaluation judgements were confirmed.

Safeguarding was judged as effective. Teaching and learning is an area of consistent, further development. It is always my priority including stability for all children across the school.

With the love of learning and the high quality teaching we continue to develop and work so hard to provide. I want to assure you that we are on a journey in providing you with the very best primary education we can.

If you have any questions or queries please don't hesitate to ask. Make an appointment or pop in and see me on a Friday at Unfrazzle 9-10am this half term.

Husthwaite is already a great school and has lots of potential. I intend on making it the very best it can be and hope that you will fully support me in this.

Kind regards,

Miss Fiona Bennett

Interim Executive Headteacher of Husthwaite and Sessay CE Primary Federation.
