Thank you!

## Ice-cream Friday

From today we will once again be having Ice-cream Fridays. Children will be able to buy an ice-cream (or sweets) at the end of school on Fridays for no more than 50p.

## Family Fun Day – Wed 28<sup>th</sup> June

Thank you for your bottle contributions to our tombola for our Family Fun Fitness afternoon – a great response and very much appreciated. We have some fabulous bottles including champagne and a compendium of shots. Also some amazing raffle prizes have been donated – a big THANK YOU to Barney Smith for donating a 2 night Glamping Break!!

Thank you also to the few parents who have so far offered their help – but we **DO NEED MORE HELP** please. This has the potential to be a really fun and sociable event. **Amanda** has kindly offered to cook the **BBQ** again but she will need assistance – budding chefs out there please do step forward (I'm sure we can provide a chef's hat if that will entice you!); anyone with an artistic flair for face painting please make yourself known and of course any general help for the tombola, refreshments etc would be great. The more people we get to help the easier it is to draw up a rota so everyone gets a chance to join in the fun. We hope that some parents will be able to organise the family

rounders and encourage lots of family members to participate. We are crossing fingers and everything else for a sunny afternoon and thanks in anticipation of your help.

## **Class 1**

What an amazing week we have had!

Mrs Withington continued her poetry work this week, and the gown-ups were amazed at how much we were able to interpret and the vivid images they could convey in their own sentences. Mr Barwick's task was getting us to tell him all about our amazing trip to Harlow Carr. We recounted the fun we had spying a huge amount of items from our 'I-Spy' sheet, colour-matching an array of natural items, hunting sculptures, using our senses in the Sensory Garden (the roses were especially beautiful and aromatic!) and identifying the budding food items in the Kitchen Garden. The highlight of the day for most children, was the yummy packed lunch (thank you to Miss Simpson, all those who hadn't ordered one were envious!!!) and the Log Ness Monster. A really wonderful day made even better thanks to the amazing help of our grown-up volunteers. HUGE thanks to Mrs Adderley, Mrs Cooper, Mrs Wharton and Mrs Gall (and Mrs Collins, who came in on her day off!). The help, patience and conversation was invaluable to all adults involved! More photos will be put on the website gallery.....

## **Class 2**

Year 3 and 4 have beavered away this week with their end of year assessments. The children have worked incredibly hard showing off what they have learnt through the year.

Further to this, the children have been immersing themselves in our new topic for the half term, 'France'. We have sampled different French inspired foods, rating them and writing a food review.

In P.E. the children have been practising for sports day as well as acquiring and developing new skills in golf.

## **Class 3**

Class 3 have had a mixed week with Y5 doing their final assessments (brilliant concentration guys) and Y6 doing challenges and catching up bits before too much transition begins. We have also finished off most of the sex relationships education. We are busy learning the songs for the play as well as having our first words run through today-keep learning those lines class 3! We are also finishing off all the brilliant gardening that class 3 have been doing-the new planter beds are now really taking shape and our veg has taken off with all the Sun and rain.

***Thank you for your continued support***
