## **Class 1**

Well. That was it!

Another school year has flown by! And what a busy, eventful year it was! We have had the departure of some very special friends (Mrs Dawson, Mrs Fowler and Mrs Warriner) and the arrival of some amazing new ones (Mrs Fielding, Mrs Withington and Mr Barwick, as well as Annabel, Charlie, Henry, Holly, Gracie and Aiden).

It has finally reached the point where tiredness has almost taken over, and tears, tantrums and fall-outs have become a daily Class 1 occurrence in the struggle to reach the final few days. The children, on the other hand, must be commended for coping amazingly!!!!

We have had the wonderful pleasure of having your most treasured possession for the best hours of most days (you just get the getting up groans/food wars/putting to bed strops....sorry!!!). We have had the privilege of watching them flourish and grow into the most fantastic young people. Well done to all of Class 1. YOU ARE AMAZING! And thank you to all the grown-ups, for helping us to help your little person become the best they possibly can be! Have a wonderful summer!

## **Class 2**

It has been fantastic to teach this wonderful class since January. All the children have worked really hard and deserve their well-earned rest over the summer break. Please keep reading everyday and practising key maths facts such as times-tables.

Have a great summer and I look forward to hearing all your summer stories in the new year.

## **Class 3**

Class 3 got the week off to a brilliant start with their 'Lights Camera Action' production on Monday. There is a selection of photos on the website in the gallery section. The rest of the week has been a mixture of end of term activities such as the Leavers Service and the Y6 Leavers trip. It's been wonderful to teach this class all year and I will miss the Y5s next year when I head off for my Class 2 adventure. Have a great holiday all of you.

I'd like to take this opportunity to say a few last words to the Y6s: You have been a pleasure to teach this year and I wish you all the best in the future. Thank you for the memories and being an inspiration to the rest of school. You will be missed but it's time to look to the future and all the opportunities awaiting you.

Goodbye and goodluck, Miss Goodchild.

***Wishing you a lovely fun-filled summer***
