Tue 05Sep17 School Opens 08.50 for Autumn Term

Award Winners

from the last assembly:

Class Photographs

Please ensure that orders for Class Photos are returned to school no later than Monday 26th June – thank you.

Dinner Money

Please can any outstanding dinner money be paid by **Monday** as we will be chasing unpaid amounts next week. Payment can be made online via the School Gateway or by cheque or cash (which should be sent in a sealed envelope clearly marked 'Dinner Money' with your child's name and the amount). Thank you.

E-Safety

Some children have been involved in a NSPCC workshop regarding keeping safe online (see Class 3's News). Just a reminder that there is information for parents about how to keep your children safe online on the school website <http://www.husthwaite.n-yorks.sch.uk/home/e-safety-information-for-pupils-parents/> and links to the Child Exploitation Online Protection (CEOP) website which has useful advice and videos for parents and children to watch.

Olympic Event

12 of Husthwaite's year 6 pupils did the school proud on Wednesday, when they attended an Olympic event at Easingwold Secondary School. They were split into teams (10 in total) with children from other local schools and participated in 10 different events ranging from balances and racing, to hockey and netball skills, finishing with an afternoon of rounders. Our children were a credit to the school, displaying true sportsmanship and enjoyment while striving to achieve the best they could (making new friends in the process!). A very enjoyable and worthwhile day. Well done Y6!

Sports Week

Don't forget that children should wear their sports kit next week. We have a fantastic week planned! If the weather is hot and/or sunny (fingers crossed for some fine weather) that children have a hat, sunscreen and their water bottle with them. Thank you.

Family Fun Day – Wed 28th June

We would still appreciate **extra HELP** with the Family Fun Day – no previous experience required! The more the merrier! This has the potential to be a really fun and sociable event. **Amanda** has kindly offered to cook the **BBQ** again but she will need assistance – budding chefs out there please do step forward (I'm sure we can provide a chef's hat if that will entice you!); anyone with an artistic flair for face painting please make yourself known and of course any general help for the tombola, refreshments etc would be great. The more people we get to help the easier it is to draw up a rota so everyone gets a chance to join in the fun. We hope that some parents will be able to organise the family rounders and encourage lots of family members to participate. We are crossing fingers and everything else for a sunny afternoon and thanks in anticipation of your help.

Class 1

Class 1 have had another busy week. They have reinforced and consolidated number knowledge, thinking about more/less than a given number and used apparatus to assist their learning. They have recounted their trip to Harlow Carr with some amazing pieces of writing, thinking about details they could include and descriptions to interest the reader. Several of us were also lucky enough to spend some time with Mrs. Bainbridge, impressing her with our reading and writing!

We are getting into the routine of having Mrs Withington from Monday to Wednesday and Mr Barwick on Thursday and Friday, and we are all very excited about next week's sporting activities.

E-Safety: There is a useful video on the CEOP website 'Lee & Kim's Adventure', for 5 to 7 year olds, that you may find useful to watch with your children, together with other help and advice about this important issue. https://www.thinkuknow.co.uk/5_7/ It can also be accessed via the school website e-safety page.

Class 2

Class 2 have once again worked their socks off this week. In English we have been using the film Ratatouille, as part of our French topic, to learn about dialogue in narrative writing. In maths we have been learning about time. This is a tricky concept and requires lots of practise so keep practising telling the time at home.

We have also been lucky enough to have visitors in school this week to teach us golf. The children had a fantastic time and made great progress through the session. We shall be having another one in the coming weeks.

A quick reminder: Next Wednesday we are opening our outdoor classroom. Class 2 will be doing an activity that requires **wooden spoons and plastic bottles**. If you have any 2l bottles (empty and clean) or old wooden spoons to spare then please send them in by Monday. Thank you.

Class 3

We have begun production rehearsals with the stage this week! Children know their words better but need to keep practising so it is less robotic and has more intonation! In maths we have been revising fractions and doing activities of all types: ordering, improper fractions, mixed numbers, adding and subtracting them, mastery questions. Y5 are to remember the phrase 'common denominator'. In English we have completed our balanced arguments on bull fighting. Y5 and some of Y6 did further research on aspects of Spain ready to present to their peers today. We had a visit from the NSPCC yesterday so children should have given parents a booklet about keeping them safe online. Y5 did further work on their animations as well this week. Don't forget to come in sports gear next week, fingers crossed for good weather!

Thank you for your continued support

Where's Church this week?

Sunday 25th June 2017

9.00am Holy Communion at Coxwold

10.30am Family Service at Husthwaite

6.30pm Hymns and Pimms at Wass

The Hymns and Pimms service at Wass is always a highlight of the summer. Favourite hymns, chosen and introduced by villagers, finishing with a glass of pimms (or lemonade) on the terrace. All welcome.

With best wishes

Revd Liz

Village Treasure Hunt

On Sunday 25th June at 1.00pm there will be a Treasure Hunt and barbeque in Husthwaite starting at the Village Hall. £5.00 per person, £15.00 for a family, under 5s free. There will be a special route for families with small children.
