

'Sowing Seeds – Bearing Fruit – Harvesting Potential'

Hustwaite CE Primary School and Apple Tree Nursery Newsletter

Your fortnightly note from your Headteacher...

Another extremely busy fortnight. Last week everyone thoroughly enjoyed Sports, Health and Wellbeing week. Highlights definitely included the hexathlon, Scootfit and our visit from Jasmine from Thirsk, World Record Holder swimmer and rower. Apologies that we had to postpone our Sports Day afternoon, we have everything crossed for dry weather on Tuesday 18 July at 1.15pm, as always everyone is welcome to join us.

Last week our Year 5/6 rounders team took part in a cluster competition at Crayke Primary School. The children were excellent ambassadors for the school and had a fabulous time. MP Mr Hollinrake was at the event and presented the trophies.

Currently our Year 3 children are on their Carlton Lodge residential and enjoying every minute. Many new experiences have been had, the children have challenged themselves, often outside their comfort zone, they have shown independence and most importantly lots of fun has been had by all! A huge thank you to Miss Goodchild and Mr Houghton who have accompanied the children.

We are really proud to announce that we have been awarded the North Yorkshire Healthy Schools Bronze award for our Federation PSHE curriculum this term. A huge thankyou to Mrs Jackson, our Federation PSHE curriculum leader and well done to everyone - we will be going for Silver next academic year!

Your fortnightly class summary from...

Class 1, Mrs Jackson and Mrs Carass.

This week in Class 1 we have been so busy! Everyone designed and made a fruit kebab as part of our work on senses and the human body. The Reception children have written about sea creatures and found out about blue whales! The Year One children have been enjoying their work in maths learning all about money – making different amounts with the smallest number of coins. Also, this week we enjoyed our annual teddy bears picnic and welcomed some new reception children who will start in September.

Class 2, Miss Goodchild

A busy couple of weeks in Class 2. We had a great time investigating the River Esk as part of our Danby Moor Centre visit. The children measured the width, depth and velocity of the river as well as exploring what invertebrates they could find. They all thoroughly enjoyed Sports Week and gave their all. The children had a fantastic time in Forest Schools last week, testing their parachutes. All of them found out interesting facts about the best materials and shape to use for a parachute and the number and length of strings that works best. They all conducted a fair test and Miss Goodchild and Mr Houghton were very impressed with their teamwork, scientific enquiry and problem-solving skills. The children also completed their bridges this week and they are excited to test them next week.

Class 3, Mr Chapman

This week we had our dress rehearsal of Snow White and presented it to the school to rapturous applause. The children in class 3 are very much looking forward next week's performances on Monday to Class 3's parents. We have also been carrying on with all areas of the curriculum and have been looking at body changes in PSHE. All the year 6s have enjoyed transition time at their new secondary schools this week as well.

- **School dinners** - We would like to inform you that in September school dinner price will increase to £3.00. This academic year we have done everything possible to avoid this, but due to circumstances beyond our control and not being able to change providers we are left with no choice. School already heavily subsidises this and even with the increase will still be subsidising over 50p per meal per day. It is essential that we

continue to offer a hot option and choice each day and it is with great regret that we have to increase the price.

• **WE HAVE A GOVERNOR VACANCY – DO YOU KNOW SOMEONE WHO WOULD LIKE TO MAKE A DIFFERENCE AND BECOME A GOVERNOR AT THE HUSTHWAITE AND SESSAY CE PRIMARY FEDERATION**

MAKE A POSITIVE CONTRIBUTION TO YOUR COMMUNITY.

DEVELOP YOUR OWN PROFESSIONAL SKILLS.

HELP SHAPE EXPERIENCES FOR THE NEXT GENERATION.

Federation governors are volunteers who work with the leadership team to provide vital support and direction. They help set the strategic vision, oversee the budget and supportively challenge the federation leadership team.

No in-depth knowledge of the education system is needed, you bring with you skills and workplace knowledge that will help positively impact young lives. For more details contact Mrs Dixon or Miss Bennett.

- **APPLE TREE NURSERY.** We currently have vacancies for our nursery for those children who will have turned 3 years of age before September. If you know of anyone who would like a place, please contact the school office.
