

Summer 2 Information for Parents

Class 2 Miss Goodchild

Date: 21st June 2019

Dear Parents/carers,

Class Routines

Monday PE-come in kit as normal

Tuesday: Library books

Thursday: Times tables test

Friday: PE, spellings test.

WATER BOTTLES

Please can all parents/carers provide a water bottle for their child, children get thirsty during the day. It is difficult to concentrate if you need a drink and we are moving into the summer months.

Reading

Children should still be aiming to read about 4 times a week at home; those children who do read at home make much better reading progress. **When you hear your child read at home, please note the details in the home school book or Y3/4 could do it themselves for an adult to initial/sign.**

Homework

The only change is Y2s have 10 mins maths tests for the remainder of the summer term.

Our main topic this term will be 'London the city that never sleeps!'

Through **Geography**: children will start from the seven continents and move down through the British Isles, United Kingdom, Great Britain, England, Regions, and Counties to cities. They will then focus in on London our capital city, looking at common landmarks in the city and comparing the human and physical geography of such a busy city to somewhere rural such as where they live

Our other subject areas are:

- **Science-** PLANTS (Also covered in Forest Schools to back up the objectives)
- **RE** – Our RE topic will focus on 'Why do people love their sacred places?'
- **Music**-Instruments and notation
- **Monday PE with Mr Warriner**–Golf.
- **Friday PE with Miss Goodchild**-Athletics.
- **Computing** –Animation.
- **ART**-London
- **PSHCE**- Children will look at Changes and transition.

English:

The English this half term will focus on cross curricular London topic work and poetry.

Maths:

Children will consolidate all areas of their maths over the remaining weeks.

Thank you for your support, it is appreciated.
Miss Goodchild
