#### A final fortnightly note from your Headteacher for this academic year...

It certainly has been a very busy final two weeks!

At the end of last week FOHS held a very fun social 'Afternoon Tea, activities and play in the park'. Many thanks to all who attended and organised this event. FOHS will once again be doing 'Ice Pop Friday' at the end of school today.

Last Thursday we held a very successful 'Federation Science Day' at Sessay. All the children worked together in year groups and built on the friendships previously made. Excitement, awe and wonder was the recipe for the day!

Last week Class 3 thoroughly enjoyed their visit from 'The Moth Man', linked to their evolution science topic and Class 1 thoroughly enjoyed their visit to The Hideaway, linked to their English and Geography work on our local area. We have had the librarian from Easingwold Community Library in school to launch this year's Summer Reading Challenge. We do hope lots of children take part and continue to enjoy their reading over the summer. On Wednesday evening all our Year 6 children across the Federation enjoyed a camp out at Sessay. Many thanks to Mr Houghton, Mr Chapman, Mrs Day, Mrs Wilkie and Mrs Sowray for making this possible.

On Wednesday we had our Leaver's service at St Nicholas. I would like to take this opportunity to say goodbye and thank you to all our Year 6 children, for all they have contributed to Husthwaite over the years. We wish them all the very best at secondary school and every success in the future. We wish Mrs Collins a very happy retirement and Mr Barwick all the best in his new adventures.

On behalf of all staff, governors and myself, we would like to thank you for your ongoing support throughout this academic year. We wish you a very happy and relaxing summer holiday. We look forward to welcoming the children back on Tuesday 3<sup>rd</sup> September.

Have a fabulous summer and I hope the sun is shining!
