

A 'Friday Celebration' note from Miss. Bennett...

Another busy week for all! The weather has certainly been changeable, fingers crossed for some more sunshine!

Many new skills have been mastered by lots of you. From gardening and measuring to learning how to be more independent – keep them all up!

Also, as always, I have loved hearing all about the superb learning both in and out of school.

Husthwaite

Class 1

Millie. She has come in smiling each day and has tried so hard with all her learning. She has been mature and reliable, keep it up Millie!

Class 2

Charlie, for his consistent super efforts, across many areas of the curriculum. Especially, his super science work and the way in which he presented his findings to his class on Zoom! Well done Charlie.

Class 3

Lily, for never giving up. In particular she has worked studiously in maths this week, persevering through the trickiest of problems. Fantastic attitude to your learning Lily!

Sessay

Byland

Jack , for being hard working and persevering with all his work. Keep it up Jack!

Fountains

Adele, for her fantastic collage of the Andes for the class topic on South America. You used great textures, well done!

Rievaulx Mrs Sowray

Poppy, for some super Everest and French work this week and for her beautiful acrylic painting of a sunset- well done Poppy!

Rievaulx Mrs Watson

James, for his mature attitude during our transition work, especially for his tree of life task. Fabulous work James!

A huge well done to all of you and remember to take a minute to think about everything you have done this week at home or in school and decide what your biggest achievement has been. Remember to write or draw it at the end of your diary entry for today.

Have a great weekend 😊

- I am looking forward to this afternoon's school Zooms (id and password on my last week's bulletin).

I will be once again hosting Miss Bennett's Optional Friday Celebration Zooms next Friday on the 17th June. Everyone is more than welcome, this is another opportunity for children and parents at home to join us in school. Try and work out how to change your Zoom background to a world capital city or country that you would like to visit in the future.
