

A 'Friday Celebration' note from Miss. Bennett...

What a fabulous week, welcoming more children from all year groups back into school! Seeing the children's smiling, excited (and naturally anxious for some) beautiful faces entering our school gates once again. On behalf of all my staff, governors and I speak most certainly for myself, seeing more children has given us the energy we needed to continue moving forward and get us through what is the most challenging and unusual times for all of us. A united effort from all in our Federation community of which I am very proud.

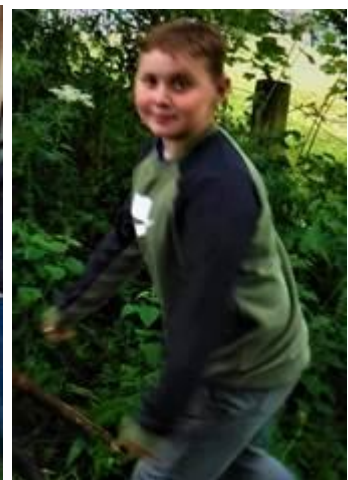

Social distancing amongst us all is a challenge in itself (I have to remind myself at times!), however, we are all learning and helping each other which in time will become learnt. 'Virtual' comfort hugs when needed and evolving human actions will become the norm for as long as we need to use them. You are all my Friday Stars (including the parents and staff) – well done everyone!

As always, I have loved hearing all about the superb learning both in school and at home.

A huge well done to all of you and remember to take a minute to think about everything you have done this week at home or in school and decide what your biggest achievement has been. Remember to write or draw it at the end of your diary entry for today.

Have a lovely weekend 😊

NOTICES:

- [PHASE 2 Part Time Return to School for all year groups.](#)
- Due to part time home/school learning, please can we all ensure we stick to the weekly timetables sent out weekly on Friday's for your child's class/year group to ensure continuity in learning. All the teachers have enjoyed seeing the children's Home Learning books, which they are trying to return quickly as they are obviously still needed at home. We apologise for not being able to print out home learning weekly for the children, but this simply is not possible.
- Please follow the attendance and illness guidelines in our Return to School Guide stringently to ensure everyone's continued safety. Inevitably, normal illness will occur, please continue to keep us informed and remember all children displaying any symptoms are entitled to a free COVID-19 test if ever you are unsure or worried.
- Please remember NYCC school transport needs to be booked weekly and the deadline is 12 o'clock on Monday's.
- If you need before and after school club (wrap around care) please book through:

Husthwaite – Helen at Treetops at Husthwaite. You can email her at hamorris1@outlook.com or phone / message her on 07882 677625.

Sessay – Mrs Waite in the school office. Please book by Thursday at 9am for the following week.

- When the Federation is closed for the Summer holidays, all our families and children, at both schools are very welcome to use the Summer Club run by Helen Morris the owner/manager of Treetops at Husthwaite. This summer she will be running it out of Treetops at Sutton on the Forest Primary School. Please refer to the attached flyer and don't hesitate to contact Helen if you require further information or wish to make a booking. You can email her at hamorris1@outlook.com or phone / message her on 07882 677625.
- As you know this is Mrs Wells' last term at Sessay school due to her relocating and moving on to pastures new. I am very happy to announce that we have appointed a new full time class teacher and I would like to give a very warm Federation welcome to Miss Southward who is joining our staff team. She will initially be based at Sessay for academic year 2021-22 where we will be having four classes. I will include in next week's bulletin the way in which I am splitting cohorts across the classes at both schools and the class teachers for September.
- As always, I am looking forward to this afternoon's whole school Friday Celebration Zooms (id and password on my last week's bulletin).

I will be once again hosting Miss Bennett's Optional Friday Celebration Zooms next Friday on the 17th June. Everyone is more than welcome, this is another opportunity for children and parents at home to join us in school. Try and work out how to change your Zoom background to a world capital city or country that you would like to visit in the future.
