

Byland

Isla H, for creating a super collage of a plant and then explaining what all the different parts do (roots, flower, leaves and stem). You are a super scientist!

Fountains

Joey, for his fantastic efforts with all his work. A brilliant rainforest picture Joey!

Rievaulx Mrs Sowray

Freddie, for a super piece of diary writing and he's learned all his Times Tables. Keep up your super efforts!

Rievaulx Mrs Watson

Maisie P, for working so hard on her home learning. Especially her work on identifying the key features of recount writing.

A huge well done to all of you! Remember to take a minute to think about everything you have done this week and decide what your biggest achievement has been. Remember to write or draw it at the end of your diary entry for today.

I would also like to mention all my wonderful staff and Governors at the Federation as superstars this week. They have all shown massive improvements in their IT skills over the past few weeks – we most certainly are all learning together!

Have a lovely weekend 😊

NOTICES:

ClassDojo is in the process of being rolled out across Sessay.

The purpose of the Federation using Class Dojo is that it allows all the children to actually see their teachers, teaching assistants and friends if they wish too.

All parents (registered adults with parental responsibility at school) have been given access to their child's class. It is up to you whether you wish to accept and use it.

Please be aware of the following:

- Class story is for teachers and teaching assistants to post photos/video's/messages for the whole class. You can 'like' and 'comment' on the posts too.
- Parents can upload photos/videos/text into their child's individual portfolio for their class to see.
- You can message your teacher through a message (you can attach photos and videos). This is private and only you and the teacher can see this.
- Please note Husthwaite parent's will be offered an upgrade to their ClassDojo accounts to incorporate an individual portfolio for their child if they wish too.

Spelling Shed is being rolled out across Husthwaite this week and Sessay next week.

This is a fun online phonics and spelling scheme, that allows children to work at their individual levels. There is a range of fun phonics and spelling activities and games to support all children in improving their spellings independently.

National Open the Book organisation

There is a weekly Open the Book session recording available on their Facebook. Please follow the link below if you would like to view it.
