

A fortnightly note from your headteacher...

A busy fortnight at Hustwaite, I can't believe it's Friday again already!

Class 1 have been engrossed in their learning about the traditional tale 'The Three Little Pigs'. Our EYFS children loved experimenting with different materials in Science and building the different houses linked to the story.

Our Class 2 children have enjoyed all their outdoor learning, especially harvesting the apples in our very own school orchard.

Our Class 3 children have loved their Cycling Safety sessions last week and this. They have learnt lots about control and being safe when cycling on the roads.

"I've learnt how to signal and be pedal ready!" (Alex)

"I liked it when we did the give way task." (Harriet)

"I have learnt lots of road signs, so I can stay safe on the roads whilst riding my bike." (Isaac)

"My favorite bit was during the recap – we were allowed to overtake, go on the ramp and even do the limbo on our bikes!" (Ellesia)

Thanks to everyone for supporting our Macmillan Coffee Morning for cancer research today by bringing in a £1 donation. Today the children are enjoying wearing something green / non-uniform and loved having a yummy treat at playtime in their class bubbles. A big thank you to everyone who brought in cakes/treats.

**WORLD'S BIGGEST

WE CHANGE LIVES

As you know I am continuing to host my Friday Celebration Zoom Assembly. This is an opportunity for all our classes / children in school, alongside you the parents/carers at home, to still be able to all come together at the end of the week to celebrate individual and group achievements. As always everyone is warmly invited.

Today's invite and up until half term.

Topic: Husthwaite Friday Celebration Assembly

Time: Sep 25, 2020 02:00 PM London

Every week on Fri, 5 occurrence(s)

Sep 25, 2020 02:00 PM

Oct 2, 2020 02:00 PM

Oct 9, 2020 02:00 PM

Oct 16, 2020 02:00 PM

Oct 23, 2020 02:00 PM

Please download and import the following iCalendar (.ics) files to your calendar system.

Headteacher's sticker – Joseph and Mollie. Gabby.

Handwriter of the week – Isla and Henry.

Class 3, Mr Chapman.

Bird Award – Ellesia and Jessica.

Headteacher's sticker – Bethan and Harriet. Isaac and Peter

For your information all our children should now have a new home learning exercise book to be kept at home if needed in the future. Any individual children self isolating will need to revert back to Home Learning similar to during Lockdown. You have received your child's class parent information at the beginning of this term informing you of your child's topics that they are covering in class this half term. You will be given websites to use for Maths, English and Science where you will, select the appropriate year group / topic and you will be given tasks to complete daily. A class research project linked to their current topic will also be set. Your child's class teacher will telephone you personally to give individual support.

Should a whole Class bubble / zone have to go into self isolation you will receive daily set tasks for Maths, English, Science and all the foundation subjects each week to complete.

Your child's class teacher or myself will do a daily online Zoom at 9-9.45am to start off each home learning weekday. Thank you for your COVID-19 feedback on Home Learning in July. We have put in a daily zoom with the class teacher to support in modelling the key teaching points for the daily Maths and English tasks and to motivate your child in continuing a good behaviour for learning outside of their school classroom. We endeavour to continue to improve home learning even further and continue to take all our children's needs and personal circumstances in to consideration.

CLASS 1 parents – On Thursday 1st October Mrs Jackson would like to invite you to An Early Literacy Zoom session at 5pm. This is an opportunity for parents/carers of children new to Reception to understand how we teach the children to read and write. Any other parents who would like a refresher are more than welcome to join them.

This term's curriculum enrichment week is a 'Health and Wellbeing' week (5-9 October). The week will be based around the book 'The invisible string' and on Friday 9 October we will be supporting World Mental Health day in school. The health, wellbeing and safety of all our school community is of the utmost importance especially during these exceptional, current and uncertain times. The children will enjoy a variety of activities linked to all areas of our broad, balanced and active curriculum. We have also registered with The North Yorkshire Healthy Schools project this year and are aiming to achieve an award! The children will enjoy their learning, from the importance of a balanced diet, to keeping hygienic, being active and mentally healthy.

CATCH IT
Germs spread easily. Always carry tissues and use them to catch your cough or sneeze.

BIN IT

Germs can live for several hours on tissues. Dispose of your tissue as soon as possible.

KILL IT

Hands can transfer germs to every surface you touch. Clean your hands as soon as you can.

Healthy Schools
North Yorkshire

Have a great weekend.
