The positive parenting connection website is filled with practical advice and encouragement for understanding and solving common parenting challenges: Our team of parenting educators, psychologists, coaches and parents share practical advice, encouraging words and real support to help you make the best parenting decisions for your family. Our goal is to help you make your parenting journey a more peaceful and joy filled experience.

Because family life matters

Advice and support to help you in your family circumstances, whether it's the excitement of getting married, the thrill and anxiety of having a new baby, or the joy and pain of raising teenagers. We also know that family life does not always work out the way we had hoped or anticipated, and we therefore want to support couples with relationship difficulties, mums and dads with additional parenting challenges, and those who are bereaved.
