

A fortnightly newsletter from your headteacher...

Another busy fortnight of the final half term.

Firstly, thank you to everyone for selling, buying and contributing to our Summer Raffle. We have raised an amazing £569 - a BIG THANKYOU to everyone.

Class 1 have been very busy! In science they have continued their work on the senses, specifically their sense of smell and sense of taste. First, they tried to guess what aroma was in the little unlabelled pots! They then tasted various samples of foods and concentrated on sweet, salty, sour and bitter. The children's faces were a picture! After watching the Federations special water safety assembly, everyone made a water safety poster to show their understanding. The children have also been weather reporters as part of their topic. In RE the children have been learning about 'Prayer'. Class 1 alongside Mrs Warriner have produced the most beautiful display which is now up in St. Nicholas church foyer ready for the whole community to enjoy.

Class 2 have been looking at mountains linked to their topic Water, Water Everywhere this is because most rivers begin life as a tiny stream running down a mountain slope. Y3/4 have had fun exploring roman numerals, the Y3s particularly loved their practical lolly stick activity and being able to draw on the tables! They have all also enjoyed some Olympic themed maths. Y2/3 were using their maths to explore long jumps by estimating and measuring distances, making comparisons or finding the difference between the Olympic record and their own jumps! Y4 have explored the shot put Olympic records and were finding the difference between their best throws and the Olympic record as well as working out their average throw.

Class 3 have been busy learning about forces in science. They have conducted fair experiments this week looking at air resistance. They had been practising hard for their production and were about to do the dress rehearsal before their bubble had to self-isolate. Well done to all the children for all their hard work, learning their lines and the songs, and sourcing and making all the costumes and props. Mr Chapman and Mrs Gale are super proud of all of Class 3.

Remotely, they have finished off their Saltburn PowerPoints and have been doing taskmaster style challenges in our Forest School session.
