Our learning

Maths – Year 5 will be focused on working with decimals and then applying this knowledge in problem solving situations. We will then be focusing on measures, particularly volume and capacity. We will then spend time consolidating our learning from this year. Year 6's will be doing lots of problem solving using all the skills we have learnt this year.

English – Through the Paper Bag Prince and linked to our Topic 'Keen to be Green', we will be writing a narrative piece with lots of description for the setting and character. This will allow us to showcase all we have learnt through this year.

Topic – Keen to be Green

- Human geography- Natural resources including energy
- Mapping- grid references & ordnance survey
- Digital mapping

Science/Art –Electric Circuits

R.E. – Is it better to express your religion in arts and architecture or in charity and generosity?

Computing – Quizzing

P.E. –Mr Shinwell Athletics (Tuesday); Mr Chapman Rounders (Wednesday)

Music – Production

French – À la plage

Kind regards,

Mr Chapman
