Class 3 Information – Autumn 2 2022

Welcome back!

I hope you are all rested after the half term holidays.

A few reminders to start off with:

- Class 3 drop off is 8.50a.m. and pick up is 3.20p.m.
- P.E. is on a Tuesday & Wednesday afternoon.
- Forest Schools is this half term, please bring warm and waterproof clothing.
- LABEL EVERYTHING
- NO pencil cases please. The children will have the resources they need in school and so only essential things such as packed lunches/coats need to be brought in.
- Planners - In Class 3 the children will have planners to remind them of upcoming events as well as to record guided reading or other interventions they are taking part in. You can write communications in these, although they will not be checked every day by staff. If you need a message passing on, please make your child aware of the message that needs to be seen.
- Class Dojo/Email - This is the best way to get in touch. Any urgent messages through the office please. Our class email address is class.3@husthwaite.n-yorks.sch.uk; your dojo details should be the same. If you are new to school look out for an email invite, it could be in your junk folder.

Our learning

Maths – Our focus for this half term will be calculations and fractions for both Y5 and Y6. A Year 4 objective is to know all times table to 12x12. If you know your child has gaps, please continue to practise at home.

English – Our Class Text this half term will be Cogheart by Peter Bunzl. Through this we will conduct whole class guided reading sessions and write a range of genres from narrative to letters

Topic – Our theme this term will be The Victorians. The children will aim to understand historical concepts such as continuity and change, cause and consequence, similarity, difference and significance, and use them to make connections, draw contrasts, analyse trends, frame historically valid questions and create their own structured accounts. We aim to link our learning to the local area, particularly the use of apples and farming as an employer.

Science– Animals including humans. Within this unit we shall look at nutrition and keeping healthy.
